## *Grace International Baptist Church*

We are a caring church; we believe that caring for one another is central to the Christian Life. With God on our side we want to meet the challenge and reach out to those who are unable to help themselves.

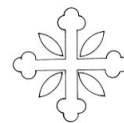

With your help we will raise the money and build shelters for some of the poorest people in Mexico.

## *Shelters For the Poor Mexico Mission 2012*

## Mexico Mission 2012

For seven days we will go and work in the transient work camps of the Mexican Baja. We will build shelters for children and poor families and we will preach the gospel of Jesus Christ. The Baja California is filled with men, women, and children desperately in need for a helping hand. Many of the families live in desolate conditions.

A circle has been set for children to grow up uneducated, working in poor conditions and for extremely low wages.

We will build two very simple wood homes 11 by 22 feet. The homes will be built on a concrete foundation and will have one door and two windows. It takes our team four days to build these homes. With your help we will go and we will also reach out and feed the poor, provide learning materials, and school uniforms.

## Building Shelters

As Christians we believe that we have a calling to care for the widowed, the orphaned and those who are unable to fend for themselves. This summer we have a chance to answer this calling as we go with about 20 people of various ages to Mexico. We will raise the funds and help those in need.

### Can you imagine?

For only \$ 7200 US we can build two houses for two families of six. With a little extra we will be able to paint the house and even provide basic electric light.

### Additional Features are:
